

**Township of Keene  
County of Ionia  
Resolution No. 99-2  
Amended 1-10-06  
Amended 8-12-08  
Amended 4-9-24**

A RESOLUTION REGARDING ZONING APPLICATION FEES AND ESTABLISHING AN ESCROW FUND REQUIREMENT FOR CERTAIN ZONING APPLICATIONS AND DEVELOPMENTS.

WHEREAS, the Keene Township Board ("Township Board") desires to establish certain fixed application fees for zoning reviews and approvals pursuant to the Keene Township Zoning Ordinance ("Zoning Ordinance") and state law; and

WHEREAS, there are certain developments, zoning applications, and projects that require Keene Township ("Township") to incur additional, and at times extraordinary, out-of-pocket costs and expenses above and beyond those associated with typical or average zoning reviews for minor projects; and

WHEREAS, the Township Board believes that it is reasonable and appropriate to place the cost of processing zoning applications and decisions for medium and large-scale developments (or applications involving unusual costs to the Township) on the applicants involved rather than the taxpayers of the Township; and

WHEREAS, the Township Board intends that the zoning review and escrow fees shall be in addition to the fixed application fees and also be reasonably related and proportionate to the cost incurred by the township for the particular application or zoning process involved, and that such fees and reimbursements be used to defray the cost of administration and enforcement of the zoning ordinance in the Michigan Zoning Enabling Act PA 110 of 2006; and

Such reimbursable expenses include, but are not limited to, expenses related to the following:

5. The escrow fees for each application for uses specified in Section 4 hereof are established at the above listed amounts for each type by the applicant with the Township Clerk. The initial deposit escrow fee shall be provided by the applicant to the Township Clerk at the time of application. No application shall be processed prior to the required escrow fee having been deposited with the Township Clerk. After the application has been fully reviewed and processed and the final Township decision has been rendered regarding the project, any excess funds remaining in the Escrow Account will be refunded to the applicant with no interest to be paid on those funds. At no time prior to the Township's final decision on an application shall the balance in the Escrow Account fall below fifty percent (50 %) of the amounts listed above. If the funds in the Escrow Account drop below fifty percent (50%) of the initial deposit, then a sufficient amount to bring the account back up to the initial deposit shall be deposited with the Township Clerk by the applicant into the Escrow Account. Depending on the size and scope of the project, additional amounts over the above listed escrow initial deposits may be required to be placed in the Escrow Account by the applicant at the discretion of the Township Board.

  7. The Township Clerk shall maintain all records regarding the Escrow Account and shall authorize the disbursement of escrow funds in writing. Such escrow funds (from one of more applicants) shall be kept in a separate Township bank account.
  8. The Township Board shall collect and apply escrow funds in a reasonable fashion, including requesting professional estimates and timely billings.
  9. If an applicant objects to the reasonableness or amount of escrow funds they must deposit with the Township or how the escrow funds have been applied, they can appeal the Townships determination regarding these matters to the Township Board. All such appeals shall be in writing and shall be made not later than thirty (30) days after the final Township action regarding the application.

10. Nothing herein shall be construed or interpreted as limiting the authority of the Township Board to adopt separate fee schedules relative to non zoning matters involving the design, engineering, and construction of buildings, improvements and developments within the township.
11. To the extent of any conflict, this resolution shall invalidate and supersede any prior resolutions.
