Keene Township Planning Commission is proposing amendments to the zoning ordinance described below:

Proposed amendments are to add a new Article XXVII (27) to add Section 27.01 Renewable Energy Overlay District (REO). The ordinance section describes the purpose, the permitted principal and special uses and permitted and special accessory uses, and the dimensional requirements are all applicable and retained in the underlying zoning district and that the additional special uses of commercial Solar Energy Systems, Utility Scale Battery Energy Systems and commercial Wind Energy Systems shall be located in this district in the NE corner of the Township as shown on the proposed map and ordinance.

The proposed amendments can be viewed in the Township Hall notice box and on the Township website at www.keenetownship.org. Any interested persons may attend and comment. Written comments may be emailed to: zoningadmin@msn.com.
